Christ College,
Irinjalakuda, Thrissur, Kerala

About the Conference

Psychology is entering a period of remarkable transformation. Rapid technological advancement, changing social structures, evolving relationships, new patterns of work and communication, and increasing awareness of mental health are reshaping how we understand human behaviour and psychological well-being.

About Christ College, Irinjalakuda

Christ College (Autonomous), Irinjalakuda, established in 1956, is a prestigious higher education institution in Thrissur, Kerala, managed by the Carmelites of Mary Immaculate (CMI) congregation. Affiliated with the University of Calicut, the college holds NAAC A++ accreditation and is recognised for its academic excellence, research and innovation. The Department of Psychology, established in 2012, offers B.Sc. Psychology and M.Sc. Clinical Psychology programmes, focusing on mental health, psychological assessment, counselling, clinical practice and research. With experienced faculty, well-equipped psychology laboratories and a strong emphasis on practical learning, the department actively promotes research, seminars, workshops and academic collaborations.

About Hapinus Care

HapinusCare Multi-Speciality Therapy & Research Centre is a leading mental health and wellness organisation in Kerala, dedicated to providing comprehensive, accessible and evidence-based psychological care. With a team of 50+ qualified mental health professionals and 7 centres across Kerala, located at Ambalamukku and Kazhakuttam in Thiruvananthapuram, Kollam, Kottayam, Kochi, Calicut and Kannur, HapinusCare offers a wide range of services, including psychological counselling, psychotherapy, psychiatric consultations, child and adolescent psychology, behavioural therapy, speech therapy, occupational therapy and psychological assessments. The organisation integrates modern therapeutic approaches such as CBT, DBT, hypnotherapy, neurofeedback and technology-assisted interventions to promote holistic mental wellbeing. Beyond clinical services, HapinusCare actively contributes to mental health awareness, academic research, professional training, internships and institutional collaborations. HapinusCare hosted the First International Conference in Psychology in January 2026. With a vision to make quality mental healthcare accessible to everyone, Hapinus Care continues to expand its services while advancing its mission, “Empowering Your Wellbeing.”

HCIC 2027: 2nd International Conference on Psychology

brings together psychologists, researchers, academicians, students, mental health professionals, healthcare practitioners, and interdisciplinary experts to explore the future of psychological science and practice.

Under the theme, the conference will examine how psychology can respond to emerging human challenges while embracing new research, technologies, therapeutic approaches, and interdisciplinary perspectives.

HCIC 2027 aims to create a dynamic platform where **science meets practice, traditional knowledge meets innovation, and today's psychological questions open pathways toward tomorrow's solutions.**
